

Organization #1 with legacy /16 IPv4 under LRSA and no IPv6 resources TODAY -

|      |                 |                  |                      |                    |
|------|-----------------|------------------|----------------------|--------------------|
| LRSA | Legacy /16 IPv4 | \$150 per object | Legacy Fee Cap \$150 | \$150              |
|      |                 |                  |                      | <b>\$150 Total</b> |

Organization #1 with legacy /16 IPv4 under LRSA and no IPv6 resources in 2022 -

|      |                 |                     |                      |                    |
|------|-----------------|---------------------|----------------------|--------------------|
| LRSA | Legacy /16 IPv4 | \$4000 (Medium RSP) | Legacy Fee Cap \$175 | \$175              |
|      |                 |                     |                      | <b>\$175 Total</b> |

Organization #2 with legacy /16 IPv4 under LRSA and /48 IPv6 resources TODAY -

|      |                 |                      |                      |                    |
|------|-----------------|----------------------|----------------------|--------------------|
| LRSA | Legacy /16 IPv4 | \$150 per object     | Legacy Fee Cap \$150 | \$150              |
| RSA  | IPv6 /48        | \$250 (3X small RSP) |                      | \$250              |
|      |                 |                      |                      | <b>\$400 Total</b> |

Organization #2 with legacy /16 IPv4 under LRSA and /48 IPv6 resources in 2022 -

|      |                 |                      |                      |                    |
|------|-----------------|----------------------|----------------------|--------------------|
| LRSA | Legacy /16 IPv4 | \$4000 (Medium RSP)  | Legacy Fee Cap \$175 | \$175              |
| RSA  | IPv6 /48        | \$250 (3X small RSP) |                      | \$250              |
|      |                 |                      |                      | <b>\$425 Total</b> |

Organization #3 with legacy /16 IPv4 under LRSA and /32 IPv6 resources TODAY -

|      |                 |                      |                      |                      |
|------|-----------------|----------------------|----------------------|----------------------|
| LRSA | Legacy /16 IPv4 | \$150 per object     | Legacy Fee Cap \$150 | \$150                |
| RSA  | IPv6 /32        | \$1000 (X-small RSP) |                      | \$1,000              |
|      |                 |                      |                      | <b>\$1,150 Total</b> |

Organization #3 with legacy /16 IPv4 under LRSA and /32 IPv6 resources in 2022 -

|      |                 |                      |                      |                      |
|------|-----------------|----------------------|----------------------|----------------------|
| LRSA | Legacy /16 IPv4 | \$4000 (Medium RSP)  | Legacy Fee Cap \$175 | \$175                |
| RSA  | IPv6 /32        | \$1000 (X-small RSP) |                      | \$1,000              |
|      |                 |                      |                      | <b>\$1,175 Total</b> |
